## HOW TO ASSEMBLE SPARKLE THE UNICORN

Supplies you will need:

### STEP 1:

#### COLORING TIME!

Color the areas within the bold black outlines on the coloring pages that you received in your kit.

\*You do not have to color the inside tabs they will be hidden.

\*Psst!! It is OK if you color outside the lines.

### STEP 2:

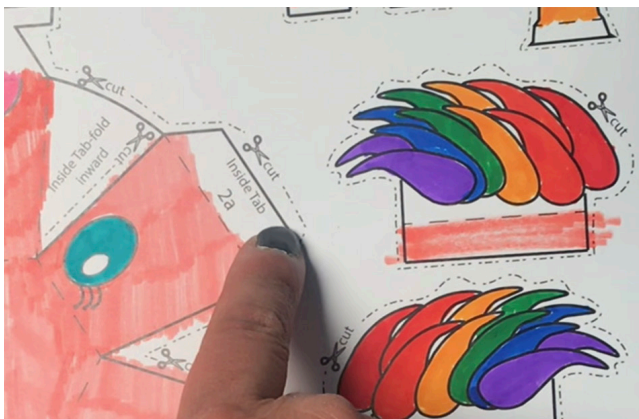

Cut along the bold black lines.

### STEP 2a:

Coloring pages 1 & 2 will be the top of Sparkle's body.

\*You will add the ears, horn, tail and mane later, once the full body is assemble.

## STEP 3

Use the dull side of an Exacto to score your paper. Score and make a crease along the dashed lines.

\* scoring is the creation of a crease in a piece of paper that will allow it to fold easier.

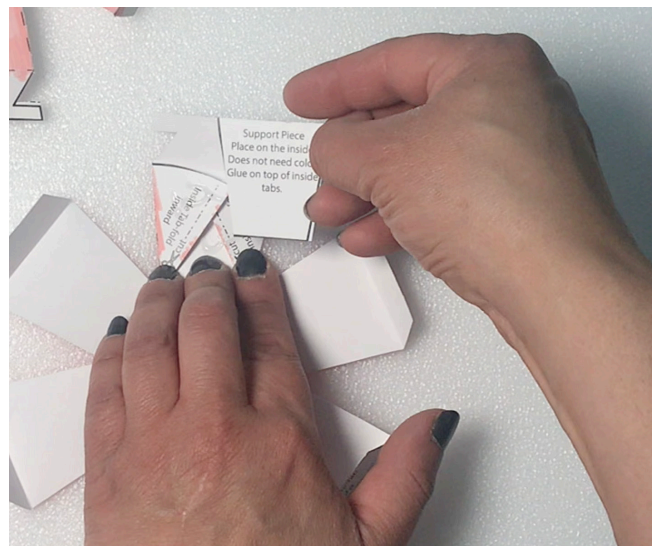

## STEP 4:

Fold and glue the triangular flaps "Inside Tabs" inward on Tab 1a. Hold for 10 seconds to allow the glue to dry. Repeat for Tab 4a, fold and glue the triangular flaps "Inside Tabs" inward.

## STEP 5:

Glue the trapezoid piece labeled "Support Piece" over the two triangular shaped flaps. Hold for 10 seconds to allow the glue to dry. Repeat this step for Tab 4a, glue the trapezoid piece labeled "Support Piece" over the two triangular shaped flaps.

## STEP 6:

Glue and press both tabs labeled 1a together. Hold for 10 seconds to allow the glue to dry. Repeat this step for tab 4a.

## STEP 7:

Press down tab 1a and trim the edges that extend past the shape on tab 1a.

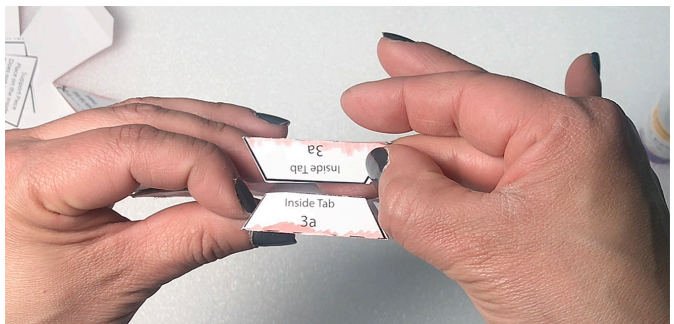

## STEP 8:

Pair and glue tabs 2a. As you glue down each tab, slowly press down on the form while waiting 10 seconds for the glue to dry.

## STEP 9:

Pair and glue tabs 3a. Hold for 10 seconds to allow the glue to dry.

## STEP 10:

Pair and glue tabs 4a. Press down and trim the edges that extend past the shape on tab 4a.

## STEP 11:

Before pairing and gluing tabs 5a & 6a, wrap a rubber band around the inside tab of 1a, cross the rubber band over making an X with the band, then wrap the other end of the rubber band to Inside Tab 4a.

## STEP 12:

Once the rubber band is installed, pair and glue tabs 5a. Hold for 10 seconds to allow the glue to dry.

## STEP 13:

Pair and glue tabs 6a.  
Slowly push down your entire form flat, in order to glue tab 6a.  
Apply pressure and hold for 10 seconds to insure the glue dries.  
Release. The barrel like form should pop up as you release pressure!

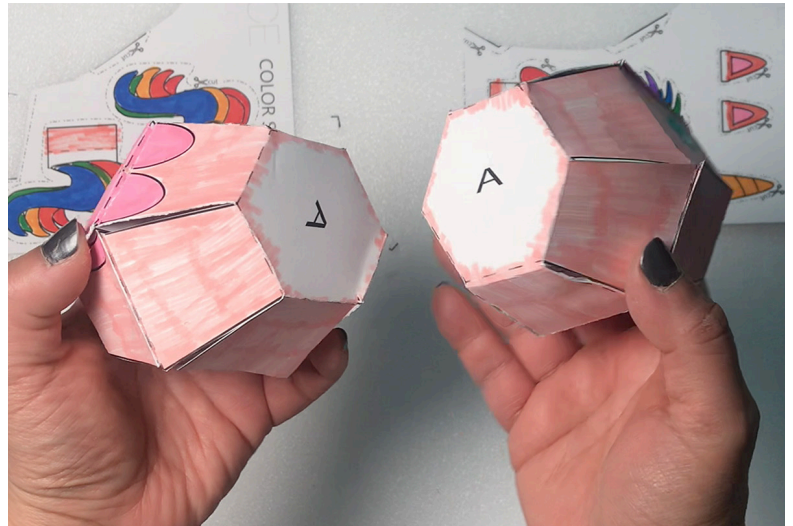

## STEP 14:

Repeat Steps 2- Step 13 to assemble Coloring pages 3 & 4.  
(tabs 1b-6b). Coloring pages 3 & 4 are the bottom half of Sparkle.

## STEP 15a:

At this point, you should have 2 "barrel" looking forms. The bottom of the "barrel" is shaped like a hexagon and labeled with the letter "A". Glue both barrels to each other.

## STEP 15b:

Slowly push down your barrel forms, apply pressure and hold for 10 seconds to insure the glue dries.

Release. Fun!!! Pop Up Sparkle is fully activated!

## STEP 16:

Time to add in details!  
Cut out the Sparkle's tail and mane.

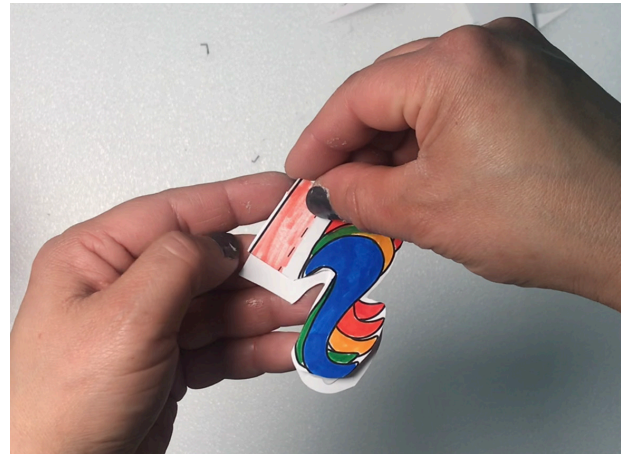

## STEP 17a:

Line up and glue the tail back to back with the details facing out.

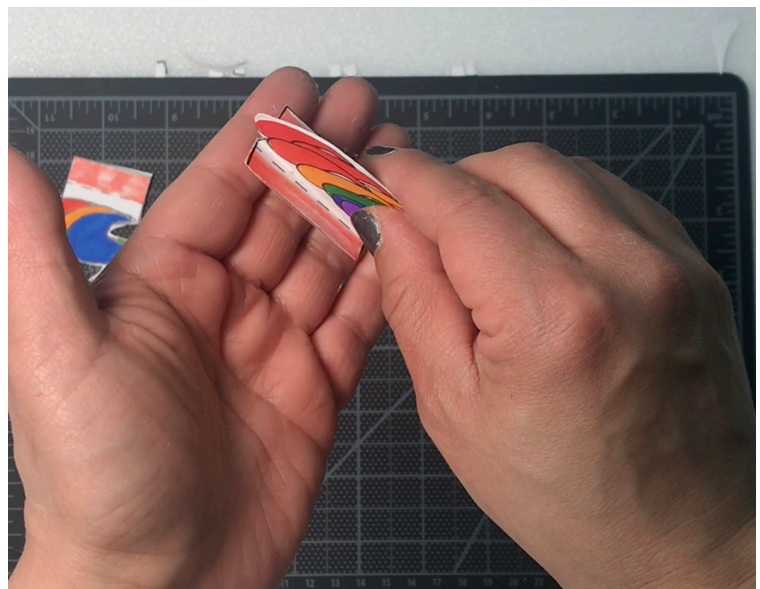

## STEP 17b:

Line up and glue the mane back to back with the details facing out.

## STEP 18:

Score and crease along the dashed lines of the details. Use the dull side of an Exacto to score your paper.

## STEP 19:

Create your very own Sparkle with its own personality!  
Glue along the tabs of the details and place anywhere  
on Sparkle.

## STEP 20:

Here's our Sparkle Crew!  
NOW SHOW US YOUR SPARKLE!! #jocomakes
