Kansas Career Navigator (<https://kscareernav.gov>)

The Kansas Career Navigator is an intuitive dashboard intended to aid in the selection of education and training programs, access workforce training providers, analyze performance information, and labor market information. **Additionally, by navigating this site, a user has real time access to high demand, high wage opportunities by county or local area selection.**

Take the helm in learning more about wages, job openings, education, and work experience expectations, access provider listings, forecasted vacancies and much, much more.

Click on the **KansasWorks logo**, **Create** a **Job Seeker Profile Account**, and do a **Job Search**.

With this account you can:

- Perform and save advanced searches to find the job that's perfect for you.
- Create and post an unlimited number of resumes with our resume wizard.
- Explore the most in-demand occupations by industry and location.
- Find on-the-job training and apprenticeship opportunities.
- Fulfill unemployment insurance requirements.
- Connect with career counselors for advice and support.

How we can help job seekers:

- Creating a professional resume can be intimidating. With our step-by-step resume building wizard, put together a resume that showcases your strengths and experiences with minimal effort.
- Want a new career? Connect with a career counselor about state and federally funded (aka, free!) opportunities to learn in-demand skills and gain industry-recognized credentials.
- Manage your job searches, update your account, and receive job match alerts. **KANSASWORKS** is mobile responsive and easy to use from any phone, tablet, or PC.
