

# COLOR OUR WORLD

JOHNSON COUNTY LIBRARY

## 2025 SUMMER READING

Have fun reading or listening to the books of your choice this summer. *The total amount is up to you!*

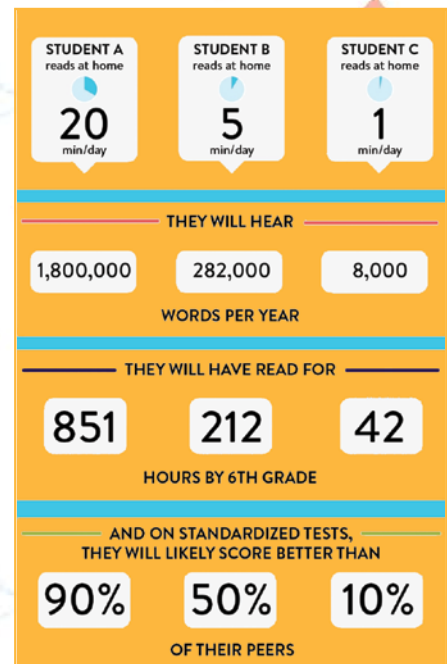

Keep track with this log: write down titles,  
color in a circle for each book you read,  
or log minutes spent reading, etc.

*How you use it is up to you!*

### DID YOU KNOW?

Reading at least 20 minutes a day over the summer makes a huge difference for you when you return to school in the fall. Check out some of these numbers. ▼
